Progress Report from Task Force on Harbourfront Developments on Hong Kong Island

REPORTING PERIOD

This progress report covers the period from late January to early March, where one Task Force meeting has been conducted.

MEETING HELD AND THE MAJOR OUTCOME, FINDINGS AND RECOMMENDATIONS

Thirty Third Meeting – 20 February 2019

2. The Task Force discussed the following item -

**(a) Proposed Boardwalk underneath the Island Eastern
Corridor**

- The Civil Engineering and Development Department (CEDD) sought Members' views on the proposed latest scheme of the proposed Boardwalk underneath the Island Eastern Corridor. Members rendered unanimous support to the scheme and urged CEDD to compress the implementation timetable so as to achieve its early completion. Members also offered suggestions on the detailed design of the boardwalk, including usage of light-weight materials, impact on marine ecology, resilience against adverse weather and lowering of gradient of the eastern section etc., as well as different possible procurement modes in order to push forward the completion date for the enjoyment of the public as early as possible.
