Enhancement Works of Leisure Angling Ancillary Facilities in Central and Western District Promenade (Central Section)

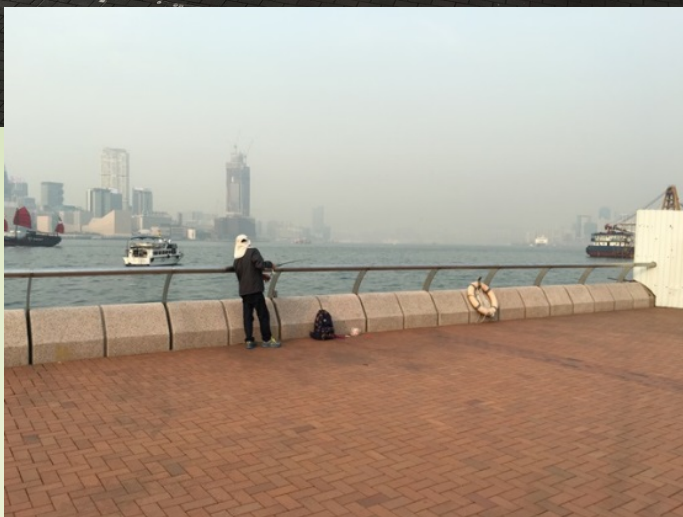

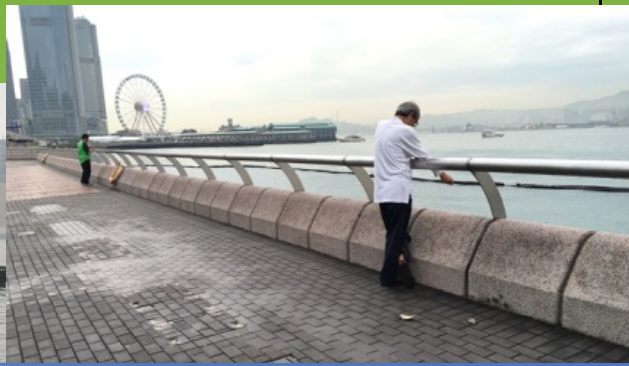

Background

To tie in with the promotion of a water-friendly culture and related activities as stated in the 2015 Policy Address, LCSD has planned to enhance the leisure angling ancillary facilities at popular locations including the Central and Western District Promenade (Central Section) in 2016-17.

Storage Racks

Proposed Ancillary Facilities

- Working tables with wash basins

Proposed Ancillary Facilities

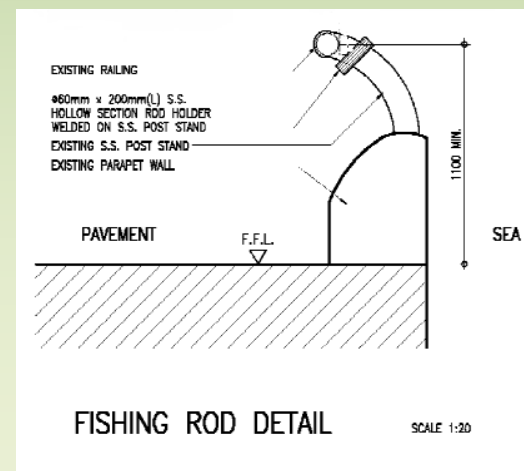

- Arbours and benches

Proposed Ancillary Facilities

- Fishing rod holders

Proposed Ancillary Facilities

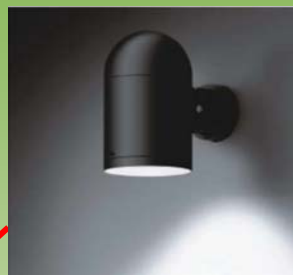

- Storage racks

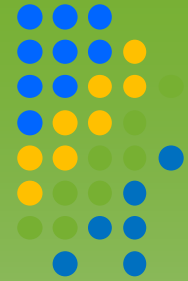

Proposed Ancillary Facilities

- Lighting

Proposed Ancillary Facilities

- Display panels

Proposed Ancillary Facilities

- LCSD will also erect educational display panels and produce publicity leaflets to educate the public on the right attitude, proper handling practices and safety rules for leisure angling.

閒釣人士應：

Anglers should:

- | | |
|-------------|---|
| ● 留意本身和他人安全 | Lookout for your personal safety and others |
| ● 只取個人今日所需 | Take only what you need today |
| ● 不虐待海洋生物 | Treat all marine lives humanely |
| ● 放生幼魚 | Release young fish |
| ● 放生即將生產的魚類 | Release fish that are about to spawn |

Management Arrangement

- To display notices at appropriate locations along the promenade
- To provide life buoys along the promenade for emergencies.
- To deploy venue staff to step up the cleansing and maintain the order of the promenade.

Estimated Cost

- The estimated cost of the project is about \$2 million and the additional recurrent expenditure involved is about \$0.75 million a year.

Implementation Schedule

- Subject to the comments of the Task Force, LCSD will commence the enhancement works in November 2016 and the proposed facilities are expected to be completed and open to the public in March 2017.
