# Proposed Design – Pet Garden

# Proposed Design – Rain Shelters

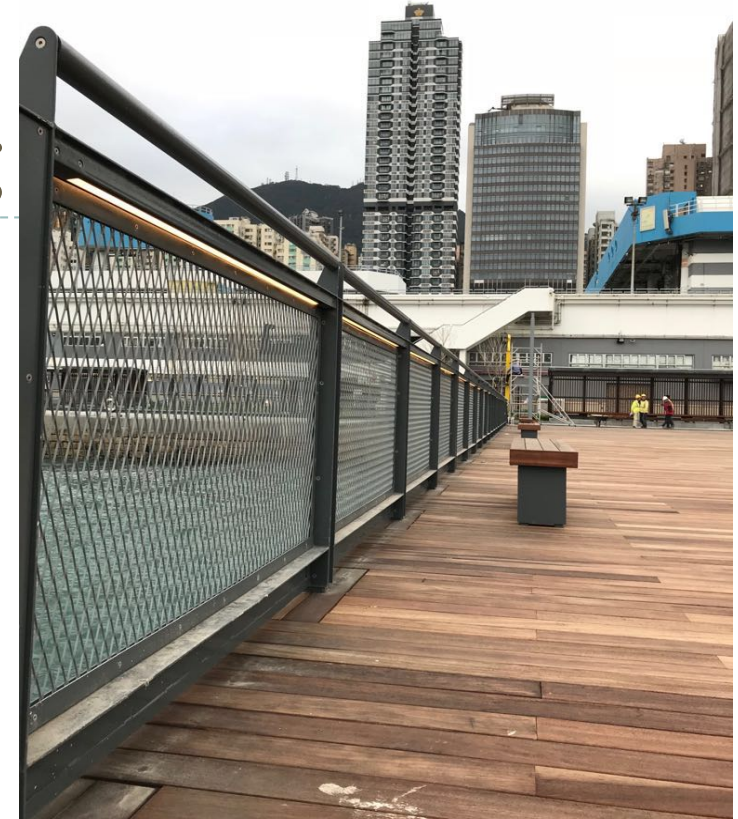

- ▶ The design of the rain shelters will be similar to the rain shelters at the Sha Tin Community Green Station

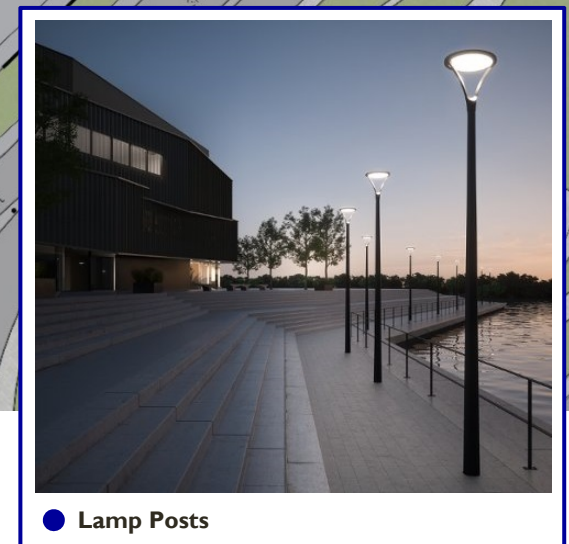

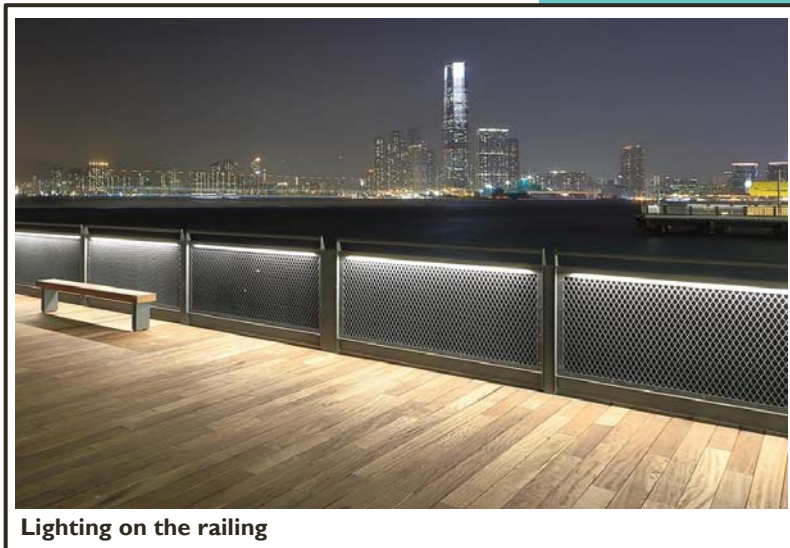

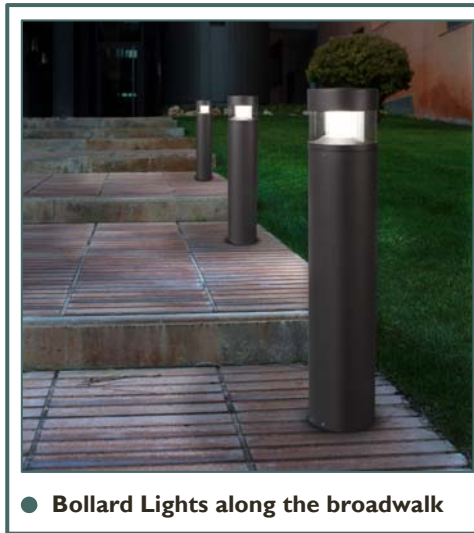

# Proposed Design – Railing

- ▶ To adopt the same railing design of the latest waterfront promenade developed under the Signature Project Scheme in Central and Western District at the Western Whole Sale Food Market

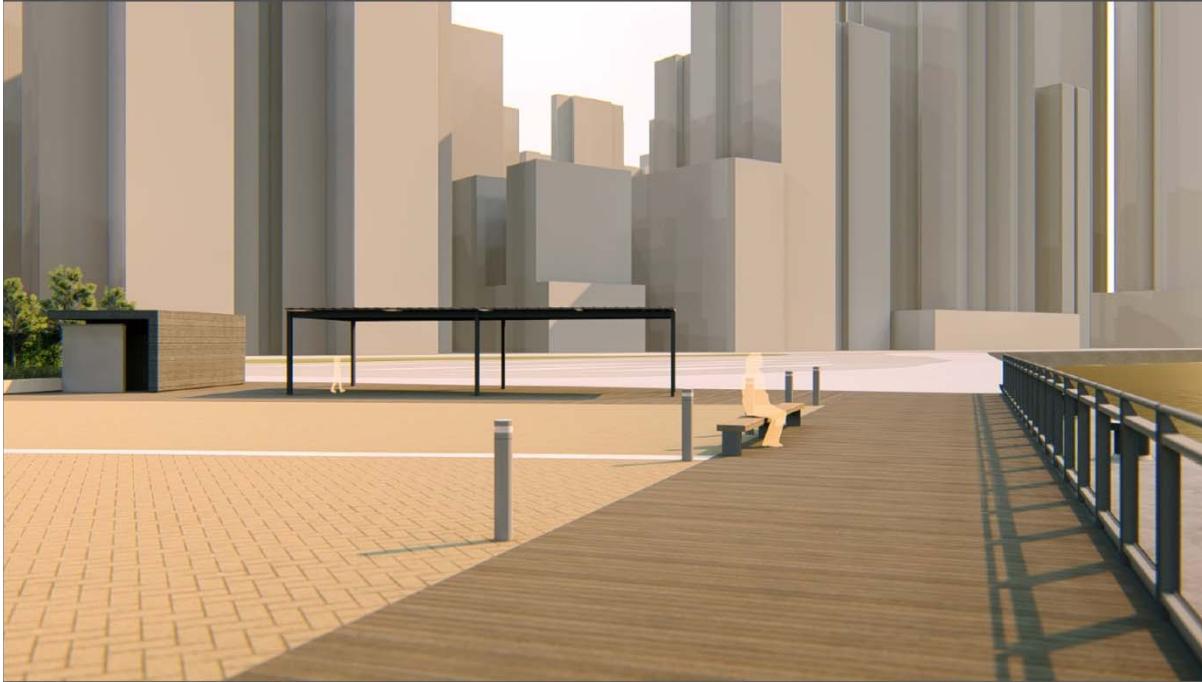

# Proposed Design – Lighting

# Proposed Design – Timber Decking

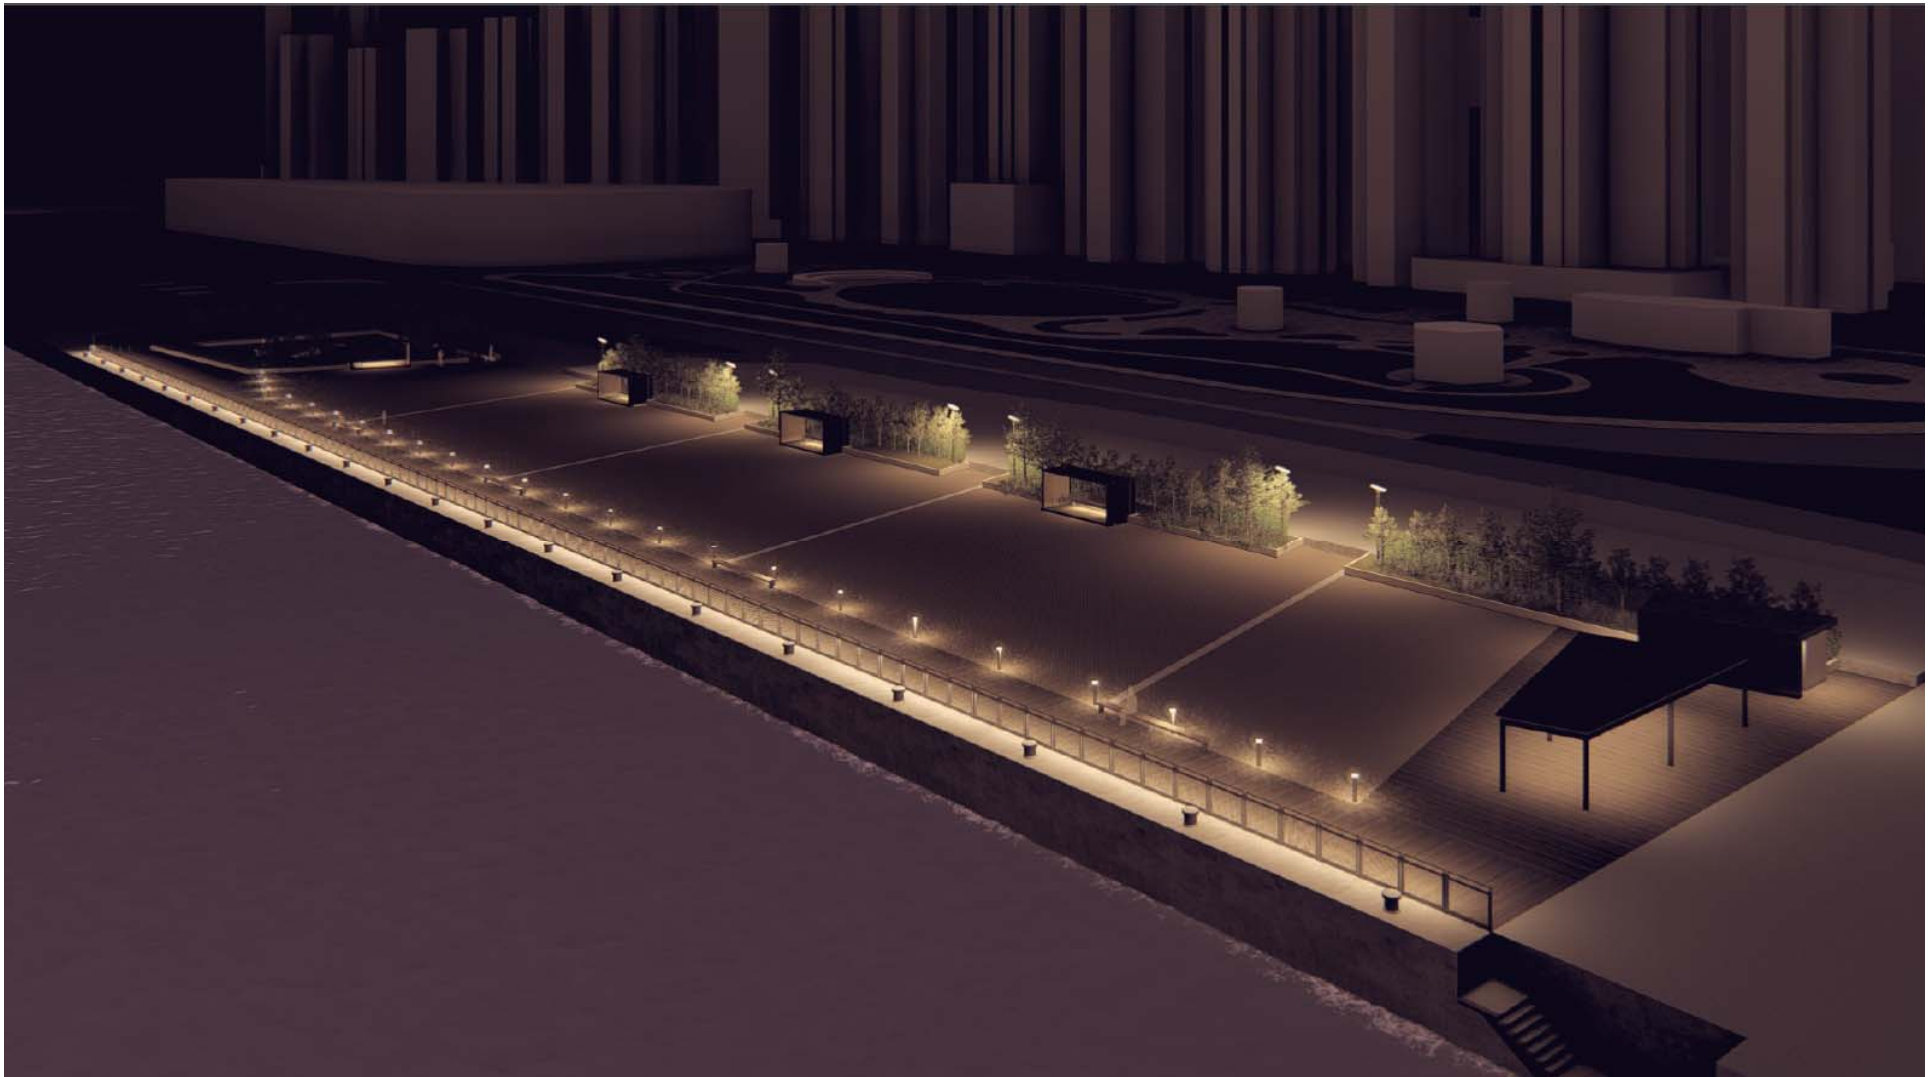

# Proposed Design – Day Time

---

# Proposed Design – Night Time

---

## Next Step

---

- ▶ To consult C&WDC on the proposal on 11 May 2018
- ▶ To consolidate views raised by Members of the Task Force and C&WDC before finalizing the design
- ▶ Target to complete and open the Promenade for public enjoyment in phases starting from 2018 Q4

---

**Thank You!**
