An Overview on Public Facilities along Tsing Yi Northeast Waterfront

PURPOSE

This paper provides an overview on the public facilities provided along Tsing Yi northeast waterfront (TYNEWF).

BACKGROUND

2. At the 18th meeting of the Task Force on Harbourfront Developments in Kowloon, Tsuen Wan and Kwai Tsing (the Task Force) on 19 January 2015, a Member made a presentation on some design and management issues which she identified on TYNEWF. In response to Members' views, the Leisure and Cultural Services Department was invited to provide information and make a presentation to facilitate Members' better understanding on whether and how these issues, as raised by the Member, could be addressed.

CURRENT SITUATION

3. As such, a presentation on the public facilities and related issues will be made to the Task Force at its 19th meeting on 13 May 2015. Views from relevant government departments i.e. Housing Department, Marine Department, Transport Department, Civil Engineering and Development Department, etc. have been collected and included where appropriate in the presentation.

4. Members are advised that the information provided in the presentation is to the best knowledge of the concerned departments and may not be exhaustive. It is prepared with the purpose of providing latest overview of the public facilities along TYNEWF for Members' reference.
