# Artistic Collaborators

**Hong Kong Arts Centre  
(HKAC)**

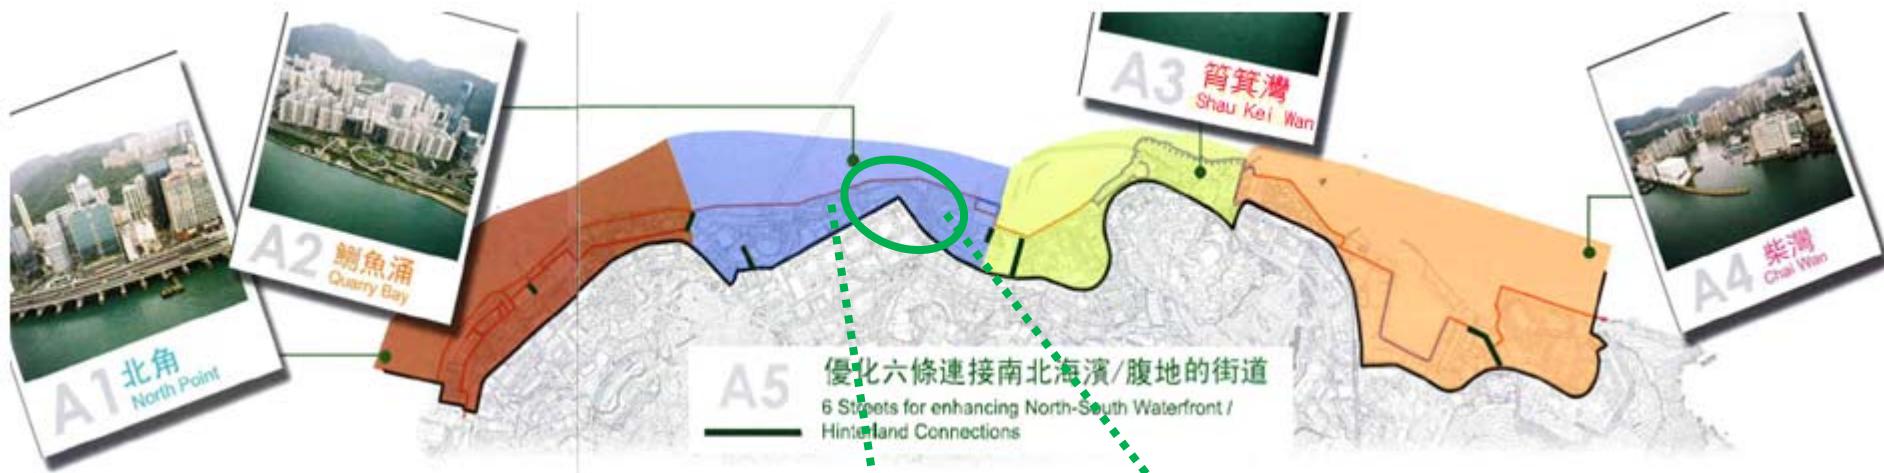

Established in 1977, HKAC is a self-funding organization whose mission is to promote contemporary arts and culture within Hong Kong and beyond. HKAC is committed to nurturing creativity, arts and cultural engagement through promoting contemporary performing arts, visual arts, film and video arts and providing lifelong and wide-reaching arts education.

**Public Art Hong Kong  
(PAHK)**

PAHK is a non-profit organization funded by the Y.K.Pao Foundation with an aim to nurture and promote public art in Hong Kong. It was incorporated in 2005 with the HKAC as its executing organization. PAHK wishes to create an interactive relationship among the artwork, site and audience and intends to reflect public interests while featuring Hong Kong as a vibrant cultural city.
